

July 2021

Dear Parent/Carer,

We are looking forward to welcoming your child to Erdington Academy in September, we hope you and they are as excited as we are to meet them.

We want transition to be as smooth as possible, we know that moving from primary to secondary school can be a very anxious time for students. We have put together an induction day on Monday 6th September which will hopefully alleviate those first day nerves and give your child the opportunity to get to know their new peers and teachers. Below is a plan of the day so you and your child can have a look through and see what exciting things we have planned throughout the day. Do not forget to take a look at our newly designed website, go to admissions and watch our virtual school tours and introductions.

If you have any concerns please do not hesitate to contact us through our email enquiry@erdington.fmat.co.uk. In the meantime, we hope you and your families have a lovely relaxing summer break, recharge and get ready for the next chapter.
