

A heartfelt thank you to Erdington Academy for this wonderful selfless effort. Over 3 weeks students and staff brought items to fill boxes of all sizes for girls, boys and for homes. Both staff and students met after school to wrap boxes and to write Christmas cards. It is with pleasure that we handed more than 60 boxes, bags and large toys to M. John Smith, local representative of T4U a UK-based organisation making a difference with the less fortunate in the world. These items were placed in containers and driven to Moldova and into Ukraine. We were pleased to place a smile on many children's faces during this festive season.

# Erdington Shoe Box Appeal 2024 Over 60 boxes wrapped

Special thanks to all the students, staff and other contributors for the Shoeboxes collected from Erdington Academy last week. Once checked they too will soon be on their way to children less fortunate than us in Eastern Europe

J. Smith
